What's happening at your school... Read on...

Dear Parents,

I just want to remind you about the ongoing parent survey that we recently shared. If you have already completed the survey, we thank you for your time and valuable input. If you haven't had the chance yet, we would like to emphasise the importance of your participation.

Your feedback is crucial to us. It provides us with insights into our strengths and areas where we can improve. Each response adds to our understanding of the collective experience of our parent community. The larger the dataset, the more accurately we can identify key successes and areas that need attention.

We understand that everyone is busy and it might be tempting to let such surveys pass by. However, please remember that your voice matters. Your perspective can make a real difference in shaping the future direction of our school.

The survey should take no more than 10 minutes to complete and your responses will remain completely anonymous. We are interested in hearing your honest opinions.

Please help us in our mission to provide the best possible educational experience for our pupils. You can access the survey here:

Thank you in advance for your participation and for being an integral part of our school community.
