Dear Parents,

Re: Travel arrangements and collection of children - 2023 -24

It is important for us to know how your child will be travelling home from school. At the bottom of this form, there is a section to let school know your child's travel arrangements. Please sign and tick asap to let us know this.

Please be aware that all staff will be bringing their class outside for collection. Please bring the slip back by the end of Thursday 7th September otherwise we will expect you to pick your son or daughter up from their teacher.

Please be reminded that if your child is being collected by an unknown adult then please provide a password. To do this, contact the office and agree a safe password which the person collecting your child will tell the class teacher so we can release your child at the end of the day.

We appreciate your support and want your children to be kept as safe as possible. If you have any questions, please ask.

Kind regards,

Simon Russell
