YEAR 4 CURRICULUM - Spring Term 2024

January 2024

To Parents and Carers of Children in Year 4

Spring Term Curriculum

Dear Parents

Please find attached information outlining the curriculum your child will be covering this term.

Parents can help their children in a number of ways. At school, they are taught the skills to read, parents can support this by reading for pleasure with their children and by discussing the text, characters and plot and asking questions. When they have finished a book, talk to your child about whether they enjoyed reading the book, referring to parts of the story they enjoyed or did not enjoy.

Please try to find time to support your child with their homework and spellings, revise X-tables and practise adding and subtracting numbers, talk to your child about their work and assist in any research work.

I know it is difficult to always find the time but working together in this way I am sure we will help all the children do their best.

Children will continue to have their Home School Link Books. These are a vital link between home and school and will help the children make the best of their time at school.

I hope you find this information helpful but if you have any worries or problems, please do not hesitate to contact us at school.

Kindest regards,

The Year 4 team
