YEAR 4 CURRICULUM - Summer Term 2025

May 2025

To Parents and Carers of Children in Year 4

Summer Term Curriculum

Dear Parents,

Please find attached information outlining the curriculum your child will be covering this term.

Parents can help their child in a number of ways. At school, they are taught the skills to read therefore parents can support this by reading for pleasure and by discussing the text, characters and plot and by asking questions. When they have finished a book, talk to your child about whether they enjoyed reading the book, referring to parts of the story they enjoyed or did not enjoy.

Please try to find time to support your child with their homework, spellings, revision of times tables and talking to them about their work, assisting in any research or projects, which can be fun.

I know it can be difficult to find the time, but this will help your child do their best.

In terms of links, children will continue to have their Home School Link Books. These are a vital link between home and school and will help keep connections with your child's class teacher.

I hope you find this information helpful but if you have any worries or questions, please do not hesitate to contact us at school.

Kindest regards,

The team in Year 4
