YEAR 6 CURRICULUM - Autumn Term 2025

September 2025

To Parents and Carers of Children in Year 6

Autumn Term Curriculum

Dear Parents,

Welcome to Year 6.

Parents can help their children in a number of ways. At school, they are taught the skills to read, parents can support this by reading for pleasure with their children and by discussing the text, characters and plot and asking questions. When they have finished a book, talk to your child about whether they enjoyed reading the book, referring to parts of the story they enjoyed or did not enjoy. Please ensure you or your child fill in their link book when they have read at home as house points will be awarded and teachers can see the level of engagement at home.

Homework is as follows:

Reading – at least 3 times a week.

Spellings – at least 3 times a week.

Times Tables Rock Stars – at least 3 times a week.

Learning by Questions – at least 3 times a week.

Ten Minute Test Books - Maths and either EGPS or Reading weekly.

Please talk to your child about their work and assist in any research/project work.

I know it is difficult to always find the time but working together in this way I am sure we will help all the children do their best.

Children will continue to have their Home School Link Books. These are a vital link between home and school and will help the children make the best of their time at school. There is a double page for each week which has a section for parents to pass on any messages from home.

It is a very important year as the children will sit their SATS. However, at Edge Hill, we pride ourselves on providing a broad and balanced curriculum whereby all subjects are equally valued.

I hope you find this information helpful but if you have any worries or problems, please do not hesitate to contact us at school.

Kindest regards,

The Year 6 Team

Believe and Achieve, Shine Everyday

Writing

Narrative writing and recount (Harris Burdick)
Discussion, narrative and poetry (When the Sky Falls)
Spelling, Punctuation and Grammar work

Reading

When the Sky Falls – retrieval, prediction, inference, sequencing, summary, themes, vocabulary and commentating.
