What's happening at your school... Read on...

Dear Parents and Carers,

We hope you had a wonderful Bank Holiday weekend.

Next week marks the start of the Year 6 SATs in school. Assessments for the rest of the school will take place after half term, alongside the Year 4 Multiplication Tables Check.

While pupils take part in these assessments, we always ensure that learning continues across the wider curriculum, including subjects such as history, computing and other foundation areas.

Have a lovely weekend, From us all at EHA

Toys coming into school

We have noticed an increase in toys being brought into school and unfortunately some are becoming damaged or lost. To avoid disappointment, please ensure your child leaves toys at home.

Crossing roads

A gentle reminder to everyone about road safety. Please ensure children are using pedestrian crossings where available and crossing roads carefully, especially before and after school.

YEAR 6 SATS

We would like to wish our Year 6 pupils the very best of luck as they sit their SATs next week. They have worked incredibly hard and we are very proud of them.

The Gift of the Nile
ALL CRAFTSMEN: Where would we be without it?

Egypt, the gift of the Nile.
Egypt, come linger for a while.

Tell of ancient people,
Lost in sands of time,
Dwelling in a land of plenty,
Guarded by the gods divine.

Egypt, the gift of the Nile.
Egypt, come linger for a while.

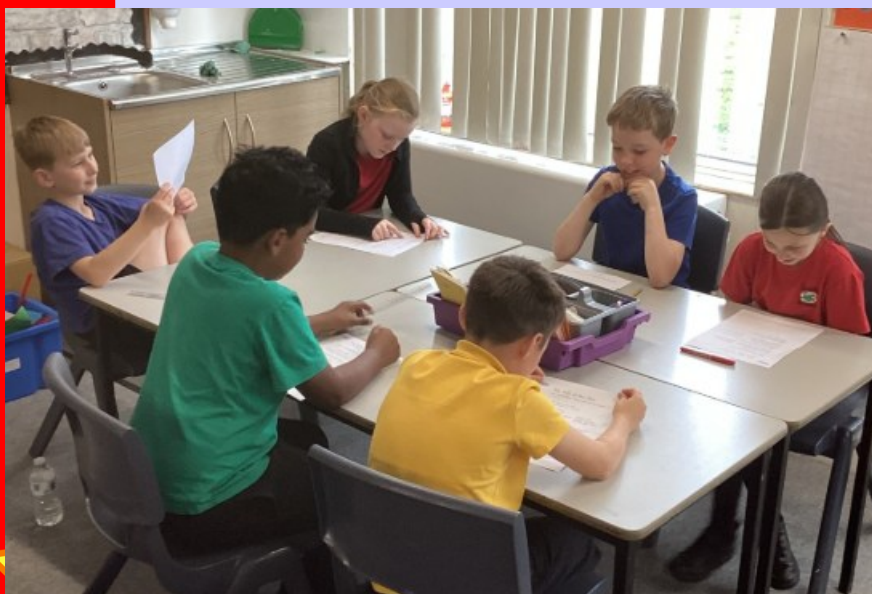

Tell of ancient customs,
Speak of Pharaoh kings,
You can hear their secrets
Whispered on the desert winds.

Egypt, the gift of the Nile.
Egypt, come linger for a while,
Come linger for a while, come
linger for a while.

*(people lost)
(sands of time)
(plenty, guarded)
(by the gods divine)*

*(customs speak)
(Pharaoh kings)*

*(secrets whispered)(on
the desert winds)*

SOCCER AID FOR UNICEF IS BACK

Sunday 31 May, London Stadium

Three-year-old twin brothers Bohdan and Marvi play football in their yard in Ukraine. They are in 2024, after being temporarily displaced by the fighting. UNICEF is helping vulnerable families in Ukraine like Bohdan and Marvi's to buy food, meet their immediate needs and rebuild their lives, amid the ongoing war and displacement.

We're returning as Principal Partner and official outfitter of Soccer Aid for UNICEF for the seventh year.

This year, we have an ambitious target to raise **£500,000** to reach an incredible milestone of £2.5m raised over the years.

Every pound you raise helps to give children all over the world the best start in life and a chance to grow up safe, healthy and able to play!

We're inviting customers to donate at tills and SCOs from Friday, 1st May until just after match day on Monday 1st June.

You've got lots of time to come up with some back-of-the-net ideas to help reach our £500,000 target. Start planning today! Every pound you raise will help make a difference to a child's life.

How are you going to show your support?

Check out the Soccer Aid 2026  channel for more info, videos from surprise guests and a chance to win even more prizes!

Every store is in with a chance to win VIP match tickets, signed merch, gift cards and more.
